

**AI disclosure;** AI powered for entertainment purposes and assessment of M&M'S Red & Yellow characters and M&M'S logo.

**Mars M&M'S Spotto – Terms & Conditions;** These terms and conditions apply to the “Mars M&M'S Spotto” offer (the “Offer”) where eligible customers who photograph and share the Red or Yellow M&M'S's characters or the Mars M&M'S's logo (as determined in Amazon AU's sole discretion) using the Offer's AI-powered page (“Spotto Tool”) will receive a promo code to redeem a single 49g bag of M&M'S's in a future Eligible Order. The offer starts 12:00am (Sydney Time) January 12 2026 and ends at 11.59pm (Sydney time) on 1 February 2026. Offer is limited to Australia residents only. The promo code to redeem the 49g bag of M&M'S's in a future Eligible Order will expire at 11.59pm (Sydney time) on 1 March 2026.

This Offer is valid only for customers 18 years or older that have engaged with the Spotto Tool at <https://www.amazon.com.au/spotto> and followed the steps required to submit an entry for a valid “Spotto” (as determined in Amazon AU's sole discretion).

The products eligible for the Offer are those sold by and shipped by Amazon AU as part of an Eligible Order. An “Eligible Order” is a purchase at Amazon.com.au or in the Amazon App of any items sold and shipped by Amazon AU, with a total purchase price exceeding \$1, but excludes (i) products sold by third party sellers (including Amazon US, Amazon UK, Amazon Germany or Amazon Japan even if fulfilled by Amazon AU), (ii) digital purchases such as e-books, (iii) subscriptions such as Prime Video and Audible, (iv) gift cards, and (v) postage and delivery rates.

To redeem the Offer, customers must add the promo code to their Cart at checkout in a future Eligible Order. If a customer does not add the promo code to their Cart, the Offer will not apply.

The Offer and the promo code are single use and can only be redeemed once per customer. If you return an eligible item purchased using the Offer, you will only be refunded the price you actually paid for the item (i.e. less the value of the Offer).

The Offer is non-transferable, cannot be resold and is not redeemable for cash. This Offer cannot be used on pre-existing orders or orders placed with 1-Click. This Offer cannot be used in conjunction with other offers.

This Offer is subject to availability and may be withdrawn or amended without notice. Amazon AU may elect to cancel a transaction (and refund monies paid) if it considers that a customer is violating these terms or to address suspected misuse, abuse or fraud. Amazon AU reserves the right to cancel this Offer or use of the promo code at any time where it suspects misuse, abuse or fraud.

The Amazon.com.au Conditions of Use and Sale apply. Delivery charges will be applied to each item in an Eligible Order in accordance with the Amazon.com.au standard delivery rates and policies. These terms and conditions also govern access to and use of the Spotto Tool. By using the Spotto Tool, a customer accepts and agrees to be bound by these terms and conditions of the Offer. Amazon AU may withdraw a customer's access to the Spotto Tool if they act in a way which is contrary to these terms and conditions.

You are responsible for any photo you share into the Spotto Tool and you agree that you will not use the Spotto Tool to enter, upload, share or create any content that is harmful, abusive, illegal, misleading or violates the rights of others. You agree that you have all necessary rights and permissions to enter information into the Spotto Tool and that you will not enter sensitive personal data of another individual.

A customer's prompts and the results generated by the Spotto Tool may be reviewed through both automated and manual methods for abuse-prevention and content-filtering purposes. Amazon AU will collect and use information provided by a customer in the Spotto Tool to provide the services forming part of the Offer. Amazon AU and Mars Australia Pty Ltd may replicate entries submitted by customers in the Spotto Tool for future promotional purposes in relation to the Offer but will not

replicate, refer to or use a customer's personal information. For a detailed list of the ways Amazon AU uses personal information, please see the [Amazon.com.au Privacy Notice](#).
